subtitles. In the second case, a transcript of the subtitles/dialogue list and a DVD of the film must be supplied in order to permit preparation of electronic subtitles in Spanish.

If your submission is successful, you will be informed by the Organizers through the Town Council of Tabernas.

The invitation sent for each film selected by the Festival must remain strictly confidential between the Festival management and the participant until the Festival makes an official announcement to this regard.

5. AWARDS AND JURY

An International Jury will decide the winners of the following awards from those feature-lengths and shorts selected for participation in the Competition of WESTERN 2014:

- 'Almería Western Film Festival 2014', for best film
- Audience Award AWFF 2014

The Festival will also give an honorary award 'Tabernas 2014' for a lifetime achievement.

6. Guidelines

The Almeria Western Film Festival does not charge entry fees and films should be submitted as follows:

Films being submitted for preview by the Selection Committee have to be in our offices by September 1, 2014: For preview purposes, films can be sent via a secure link to programación@almeriawesternfilmfestival.es or with a screener on DVD in Spanish or English. Films confirmed to participate, need to supply directly all materials and transcript or subtitle list.

Promotional material for each film must reach the Festival before October 1, 2014. This material should be sent in digital format and include a press book, high-resolution photographs audio and video clips/trailer 3 minutes, if existing. The media distribution will be provided through the official Festival website www.almeriawesternfilmfestival.es press area. We would also like to receive posters to the office address of the event.

The Almeria Western Film Festival establishes the order and date of each film exhibition. Once approved the participation of a movie, it cannot be removed from its projection during the Festival.

Participation implies full acceptance of these Regulations
